

TOP 10 TIPS FOR STARTING A WORKPLACE MINISTRY IN YOUR CHURCH

A Workplace Ministry helps working Christians integrate their faith into their daily work lives, equipping them to be effective witnesses for Christ at their workplace. It provides encouragement, support, and prayer as they navigate their workplace challenges and opportunities.

GAIN CHURCH LEADERSHIP SUPPORT

Ensure that church leadership understands and fully supports the Workplace Ministry. Here's a simple definition of what the Workplace Ministry in a Church is: "A Workplace Ministry in a church is focused on enabling and equipping working people to be witnesses for Christ in their workplace. It provides support, encouragement, spiritual growth, and prayer as they live out their faith at work." Every Christian in the workplace plays a vital role in fulfilling the Great Commission. A Workplace Ministry helps equip and empower them for this mission.

APPOINT A MINISTRY LEADER

Like any church ministry, the Workplace Ministry needs a leader who:

- Oversees its direction, content, and focus areas.
- Ensures alignment with church leadership.
- Organises activities and regular meetings/sessions.

INTRODUCE THE MINISTRY TO THE CHURCH

Communicate the purpose and benefits of the Workplace Ministry to the congregation.

The best approach is:

A Sunday service announcement from church leadership.

A kick-off presentation from the Workplace Ministry Leader explaining:

- What the ministry is.
- Why it is being launched.
- How it will support working people.
- What to expect from upcoming sessions.

Key Bible Verses for the Presentation:

- 2 Corinthians 5:20 – “We are therefore Christ’s ambassadors...”
- Matthew 5:13-16 – “You are the salt of the earth... You are the light of the world...”

DEFINE WHO THE MINISTRY IS FOR

The Workplace Ministry should be inclusive of all working people, not just those in full-time work.

This includes:

- Full-time and part-time workers.
- Volunteer workers.
- Individuals preparing to enter the workforce.

PROMOTE THE MINISTRY
